Ref: NEA-LSD-CIRCULAR-ECA-00001-2026

Date: 27 February 2026

Designated Company Representatives, Water Heater, Commercial Storage Refrigerator, Television, Air-conditioner and household Refrigerator Suppliers under the Energy Conservation Act (ECA)

Dear Sir/Mdm

MANDATORY COMPLIANCE REQUIREMENTS FOR REGULATED GOODS UNDER THE ENERGY CONSERVATION ACT (ECA)[1]

NEA would like to reiterate, with effect from 1 April 2025, the following regulated goods must meet Minimum Energy Performance Standards (MEPS) and comply with Mandatory Energy Labelling Scheme (MELS):

i) commercial storage refrigerators (CSRs) and
ii) waters heaters (WHs).

Similarly, with effect from 1st April 2025, the following regulated goods are required to comply with the revised MEPS requirements.

i) televisions with resolution of 33,177,600 pixels (8K TV),
ii) single-phase split type air-conditioners (including single-phase VRF), and
iii) household refrigerators.

The new and revised requirements for the above mentioned regulated goods can be found in circular dated 19 Feb 2025 (NEA-LSD-CIRCULAR-ECA-00002-2025)

2 The transitional provision of 1 year to clear existing stock of non-compliant goods (imported or manufactured in Singapore before 1 April 2025[2]) will end on 31 March 2026. NEA would like to remind from 1 April 2026, all regulated goods indicated in this circular must be registered with NEA and meet the prescribed MEPS and/or MELS requirements before it is supplied in Singapore.

3 Compliance with the requirements under the ECA is mandatory. Any non-compliance with the supply of regulated goods in Singapore is an offence under Section 12 of the ECA. Companies that are found to be non-compliant shall be liable, upon conviction, to a fine not exceeding $10,000.

4 NEA will conduct enforcement checks and will undertake enforcement action against companies that are found to be non-compliant with the Requirement (in Para 1 above).

---

[1] The new and revised Minimum Energy Performance Standards (MEPS) and Mandatory Energy Labelling Scheme (MELS) requirements are as specified in the Energy Conservation (Regulated Goods and Registered Suppliers) Regulations 2017.

[2] Suppliers are given 1 year grace period, from 1 April 2025 to 31 March 2026, to clear existing stocks that do not comply with the MELS/MEPS requirements.

5 If you have any queries concerning this circular or need further clarification, please contact us at Tel: 6731-9952 or email: nea_energylabel@nea.gov.sg. Thank you.

Yours faithfully
