Registered Corporations under the Energy Conservation Act
Attn: Chief Executives, Corporation Representatives and Energy Managers

Dear Sir/Madam

AMENDMENTS TO THE ENERGY CONSERVATION (ENERGY MANAGEMENT PRACTICES) REGULATIONS 2013 UNDER THE ENERGY CONSERVATION ACT (ECA)

This circular seeks to inform you that the *Gazette* notifications on the Energy Conservation (Energy Management Practices) (Amendment) Regulations 2021 were published on 21 December 2021. Pls refer to this link: https://sso.agc.gov.sg//SL-Supp/S960-2021/Published/20211221?DocDate=20211221.

2 The amendments, which come into effect on 22 December 2021, will require registered corporations under the ECA to:

Requirement	Details
Implement an energy management system (EnMS)	• An EnMS must be implemented in respect of each relevant business activity under the operational control of the registered corporation (RC) • The RC shall submit one of the following to NEA: ○ An EnMS report as prescribed in the Regulations; or ○ An accredited ISO 50001 certification for the EnMS
Ensure the quality and accuracy of energy use data submitted to NEA	• Use reasonable endeavours to ensure that the energy use report(s) and energy efficiency improvement plan(s) submitted were prepared based on accurate information • Report the specific energy consumption (SEC), in respect of every energy-consuming system of a relevant business activity installed on or after 1 January 2022, as a measured value • Report the SEC, in respect of each relevant business activity, as a measured value from 2028 onwards

3 Please contact your NEA account officers for ECA-matters should you require any clarifications. Thank you.

Yours faithfully
